

DRAFT FORM — NOT FOR FILING

This draft form has been updated to include the most recent changes effective for Tax Year 2026 Virginia returns. If legislative changes or issues arise, we will post a new version of this draft form.

Please continue to monitor tax.virginia.gov/early-release-forms for future drafts of this form. Once forms are final, we will post them on our website at tax.virginia.gov/forms.

Pass-through entities are required to submit returns and payments electronically. Use this voucher only if you have been granted a waiver.
For details, visit the Department's website at **www.tax.virginia.gov**.

Every pass-through entity (PTE) doing business in the Commonwealth that has taxable income derived from Virginia sources and must allocate any portion of that income to a nonresident owner is required to pay the withholding tax. The PTE is required to withhold 5% of the share of taxable income from Virginia sources that is allocable to each nonresident owner. The amount of withholding tax may be reduced by any tax credits that were earned by the PTE and allowable by the Code of Virginia that pass through to nonresident owners.

To make payments electronically, use the **eForms** application on the Department's website at www.tax.virginia.gov. Select the **502W** from the **eForms** list and complete the form and payment information online. You can schedule your payment for a future date.

The withholding tax payment is due on the due date of the PTE's return regardless of whether the extension to file Form 502 is used. For calendar year filers, the withholding tax payment is due on April 15, 2027. When the last day on which a tax return may be filed or a tax may be paid falls on a Saturday, Sunday, or legal holiday, you may file and make payment without penalty or interest on the next succeeding business day.

- To make a withholding payment when a PTE has an approved waiver to file on paper rather than electronically
- To make a withholding payment prior to filing Form 502, usually when the PTE is filing during the automatic 6-month extension
- To make a withholding payment prior to the due date

Detach at dotted line below. DO NOT SEND ENTIRE PAGE.

- If a PTE believes that the withholding requirement causes an undue hardship, the PTE may apply to the Tax Commissioner requesting an exemption. In addition to any other information that is pertinent to the PTE's petition for relief, the letter must provide information that will enable the Tax Commissioner to compare and evaluate the cost to the PTE of complying with the withholding tax requirements, and the cost to the Commonwealth of collecting income tax from any nonresident owners that do not voluntarily file Virginia income tax returns and pay the tax.

- Individuals who are exempt from paying federal income taxes based on their status or who are exempt from Virginia income taxes. The exemption must apply to the individual's share of the PTE's income. Examples are diplomatic immunity and individuals who did not have any liability for Virginia income tax in the previous year and who do not expect to have any liability in the current year.
- Entities other than individuals and corporations that are exempt from paying federal income taxes by reason of their purpose or activities. The exemption from federal income tax must apply to the entity's share of the PTE's income. Examples of exempt entities are:

- Caution:** If a PTE withholds on a nonresident owner PTE, the nonresident owner PTE cannot claim credit for the withholding on its Form 502. PTE withholding is not “generation skipping” and does not pass through an intermediate PTE to owners that are more than one level of ownership away. If a PTE erroneously withholds for a nonresident owner PTE, the PTE

U.S. a. Dept. of Taxation 2601021-F Rev. 04/26

should file an amended Form 502. See the Amended Returns section of the Form 502 instructions for additional information.

- Entities exempt by reason of diplomatic immunity or pursuant to treaties between the United States and other countries. An entity claiming this exemption must provide a statement to the PTE stating that it has diplomatic immunity from federal income tax.
- Real estate investment trusts (REITs) except Captive REITs.
- Corporations that are exempt from Virginia income tax include:
 - Certain banks, insurance companies, and public utilities that are subject to other taxes in lieu of Virginia income tax.
 - Corporations that are exempt from federal income tax under IRC § 501.

If a nonresident owner claims to be exempt from the withholding tax, the PTE is required to obtain documentation from the nonresident owner setting forth the basis for the exemption. This documentation must be retained by the PTE with its records.

The determination of nonresident status will be based on the owner's address of record for the PTE unless the PTE has other information relating to the owner's residence or commercial domicile by reason of the owner's participation in management of the PTE. If an owner is also employed by the PTE, the information relating to withholding on wages will also be considered.

The PTE must provide with its return of withholding tax a list of every individual, corporation, and other entity claiming exemption from the withholding tax. The list must contain the name, Social Security number, federal employer identification number (FEIN), or other taxpayer identification number and the address of each nonresident owner claiming exemption, as well as a description of the basis for the claimed exemption.

Penalties

Extension Penalty: The PTE must pay at least 90% of the withholding tax due by the return due date to avoid a penalty. If the return is filed within the 6-month extension and less than 90% of the tax was paid by the original return due date, then the PTE owes an extension penalty. The penalty is 2% per month of the tax due with the return from the due date through the date that the return is filed, up to a maximum of 12%.

Late Filing Penalty: If the return is filed after the extended due date, the extension is not valid, and the entity is subject to the late filing penalty of 30% or \$1,200, whichever is greater.

Late Payment Penalty: If the return is filed within the extended period and full payment is not included with the return, the entity is subject to the late payment penalty of 6% per month from the date the return is filed through the date of payment, up to a maximum of 30%.

Interest: Interest is due on any unpaid tax at the underpayment rate under IRC § 6621, plus 2%, from the due date until paid.

Change of Address/Out-of-Business

If the PTE changes its business mailing address or discontinues the business, either send a completed Form R-3, Registration Change Request, or a letter to the **Virginia Department of Taxation, P.O. Box 1114, Richmond, Virginia 23218-1114**. A Form R-3 can be obtained from the Department's website, www.tax.virginia.gov, or by calling the Department at **(804) 367-8037**.

Questions

If you have any questions about this return, call **(804) 367-8037** or write to the **Virginia Department of Taxation, P.O. Box 1115, Richmond, Virginia 23218-1115**.

Preparation of Payment Voucher

Complete the PTE's FEIN, entity type, North American Industry Classification System (NAICS) code, ending month and year, and name and address information.

Entity type: A proper entry in this field is required. Enter the code that corresponds to the type of entity that is filing this return.

<u>Type</u>	<u>Code</u>
• S Corporation.....	SC
• General Partnership.....	PG
• Limited Partnership.....	PL
• Limited Liability Company.....	LL
• Limited Liability Partnership.....	LP
• Nonprofit Organization.....	NZ
• Other.....	OB

NAICS code: Enter the 6-digit NAICS code. You can access a list of these codes by visiting the **Businesses** section on the Department's website, www.tax.virginia.gov.

Determine the amount of withholding due by either:

- (1) Computing the taxable income of the PTE and applying the pro rata share of the nonresident owners. Multiply the nonresident income by 5% to calculate the tax liability. Then reduce the tax liability by the owner's share of any tax credits.
- (2) Computing the taxable income of the individual nonresident owners. Calculate the tax liability of each owner by multiplying taxable income by 5%. Reduce the tax liability by the owner's share of tax credits.

Enter the total amount withheld for all nonresident owners in the block indicating the amount of payment.

Declaration and Signature
